THE MANRESA HOUSE IN THE DIOCESE OF GOZO

The Diocese of Gozo wishes to express its profound gratitude to the Society of Jesus for its dedicated service over the past 72 years through the administration of the Manresa Retreat House and its pastoral care for the Christian faithful in the area bordering Victoria.

For many decades, the Jesuit presence has served as a source of both human and spiritual inspiration to numerous individuals, Gozitans and Maltese alike. The stewardship of this retreat house, together with the spirit of hospitality that has always characterised it, has been a true blessing to the Gozitan community.

The Diocese is committed to ensuring that the Manresa Retreat House continues to fulfil its principal mission. It shall remain a place of spiritual renewal, retreat, and warm hospitality, as it has faithfully been throughout the years.

Accordingly, bookings will continue to be accepted through the contact details of the House or those of the Bishop's Curia.
